

# Help Restore Strode's Mill Barn

The small non-profit organization, the Friends of Strode's Mill (FOSM), was formed in 2015 to bring awareness to the historic landmark located at the crossroads of Birmingham Road and Route 52 and to help restore the stone structure that has stood in our community since our nation's founding. FOSM strives to preserve, protect, educate, and advocate for the natural and historic resources in and around the Strode's Mill National Register Historic District of East Bradford Township.

37. **The Oldest Mill.** Strode's Mill as it looks today, with the Revolutionary War era barn at left, along Lenape Road, East Bradford. *Illustration by Ann Bedrick.*

FOSM is partnering with the Township in the continuing effort to save and restore the historic Strode's Mill barn and springhouse structures located on the Plum Run Preserve. To do this, the non-profit is currently engaged in a 2024 fundraising campaign that involves pursuing private donations and grant opportunities. The FOSM has an exciting opportunity to leverage private donations procured through its fundraising efforts and needs the community's assistance to make it happen!

Back by popular demand, FOSM has arranged for a supply of limited-edition t-shirts to be sold in support of preserving the historic landmark of Strode's Barn. The fun, colorful Shirts are being sold at the Strode's Mill Art Gallery located at the intersection of Birmingham Road and Route 52. Please stop in and purchase your t-shirt today or visit the FOSM website ([www.friendsofstrodesmill.com/donate](http://www.friendsofstrodesmill.com/donate)) to provide a donation or purchase a shirt.

T-shirts are \$20 for S, M, L and XL or \$25 for XXL or XXXL sizes. Checks can be made payable to the Friends of Strode's Mill and mailed to PO Box 339, Unionville, PA 19375. Inquiries can be directed to Linda Kaat, President of FOSM, via phone at **610-909-3324**.

The Pennsylvania Historical and Museum Commission has awarded the Strode's Mill Barn project grants that can be matched. Please help us—your donation will provide matching funds and double the value of the grant! ●

## The restoration of Strode's Mill Barn is underway!
