Dear Friend of Strode's Mill,

Our holiday season is upon us and we have had good news to share. Our Strode's Barn site has been awarded two grants so we can begin restoring this historic landmark and grounds. **We need your support as we are asked to match these two grants from the State of Pennsylvania.**

Please accept our heartfelt thanks for your donations to our past appeals. It is because of generous donors like you that we are able to preserve this site which was part of the founding of our nation.

On behalf of the Board and Members of FOSM, thank you for participating in our most important fundraiser of the year. **Your friendship and support mean such a great deal to all of us.**

Best wishes for a happy and healthy holiday season,

Linda Kaat - for the FOSM Board
