**Subject: 2023 Trail Blazer Run to Support the Plum Run Trail and
Strode's Barn Outdoor Heritage Center**

Dear Friend and Trail Blazer Run Supporter:

East Bradford Township holds its annual Trail Blazer Run every June to raise funds for our public trails that are so valuable and beloved by the community. This year, however, is a special year because the Township is in the homestretch of fundraising for the construction of the Plum Run Trail and Strode's Barn Outdoor Heritage Center that are going to bring unprecedented public access to the Strode's Mill Historic District by creating an educational and recreationally vibrant public space at the Plum Run Preserve. Consequently, the Township's Board of Supervisors just passed a Resolution dedicating 100% of the proceeds from this year's Trail Blazer Run to the Strode's Barn restoration and Plum Run Trail construction projects.

Will you run with us again in support of this important project! If you can't participate in the event but still want to support the Plum Run Trail project, would you consider making a donation to the event?

To register or make a donation, all you need to do is follow this link:

Thank you for all consideration!

Sincerely,
